

REMARKS

Please enter the amendments shown above to the title and the claims. Unrelated to patentability, the applicants have amended the claims and title to more broadly refer to forward links rather than forward packet data channels, emphasizing that their scope is not limited to F-PDCHs.

The Examiner is invited to contact the undersigned, if such communication would advance the prosecution of the present application. Lastly, please charge any additional fees (including extension of time fees) or credit overpayment to Deposit Account No. 502117 -- Motorola, Inc.

Respectfully submitted,
S. Sayeedi
